GENERAL INFORMATION

The Nigerian Institute of Town Planners (NITP) and the Town Planners Registration Council of Nigeria (TOPREC) cordially invite you to the 2023 Edition of the Mandatory Continuing Professional Development Programme (MCPDP) with the theme 'DEVELOPING EFFECTIVE COMMUNICATION SKILLS FOR URBAN AND REGIONAL PLANNING PRACTICE'. This year's programme will be held at three Centres (Jos, Enugu, and Ibadan) in the months of May, June and July 2023, respectively.

The programme is intended to build capacity of Urban and Regional Planners in their everyday engagement with clients, with technical skills to effectively develop memos and technical proposals towards obtaining budget approvals and winning consultancy bids in the public and private sectors.

THEME

The theme of the Professional Development Programme is "Developing Effective Communication Skills for Urban and Regional Planning Practice".

SUB-THEMES:

The following sub-themes shall be covered:

- a) The Philosophy and Rationale for Effective Communication in Urban and Regional Planning Practice.
- b) Fundamentals of drafting effective value propositions for Urban and Regional Planning Projects and Services.

- c) Importance of Networking and Strategic Partnerships in communicating Planning ideas in a Democratic setting.
- d) Communicating Urban Planning: A Reflection on Outcomes and a Future Agenda.

OBJECTIVES

The objectives of this programme are to:

1. Improve participants understanding of the Philosophy and Rationale for effective Communication in Urban and Regional Planning Practice.
2. To expose participants to challenges related to fundamentals of drafting effective value propositions for Urban and Regional Planning Projects and Services.
3. Extensively Communicate the importance of networking and strategic partnerships in communicating planning Ideas in a democratic setting.
4. To reflect on the limitations of the existing practices of communicating Urban Planning ideas and Set a Future Agenda for communicating new ideas of planning practice.

METHODS

The programme is planned to cover two (2) full days of activities, featuring lectures, and a round table discussions with relevant stakeholders.

Training Day 1

Three (3) papers will be presented after the Opening Ceremony and Tea Break
Paper 1: The Philosophy and Rationale for Effective Communication in Urban and Regional Planning Practice.

Paper 2: Fundamentals of Drafting Effective Value Propositions for Urban and Regional Planning Projects and Services.

Paper 3: Importance of Networking and Strategic Partnerships in Communicating Planning Ideas in a Democratic Setting.

Training Day 2

Paper 4: Communicating Urban Planning: A Reflection on Outcomes and a Future Agenda: a roundtable discussion.
